

Attorney Biography

Evelyne M. Hart is an immigration attorney, licensed by the California State Bar. In that capacity, she has represented individuals and corporate clients globally. Ms. Hart speaks fluent Spanish and French. Born in Paris, France, Ms. Hart immigrated to the United States when she was 11 years old. Having gone through the immigration process herself, Attorney Hart understands the plight of the immigrant.

Evelyne Marosi Hart earned her Bachelor's of Arts degree from Oakland University, Michigan. She graduated summa cum laude in Modern Languages. There, she also earned her certifications as a French and Spanish translator.

Ms. Hart attended law school at the Western State University College of Law in Fullerton, California. She graduated cum laude in the top 12% of her class. She earned 4 American Jurisprudence Awards for Contracts, Remedies and for the publication of her law review article. At WSU, she was a member of Law Review and published *One World One Family Now vs. City and County of Honolulu, When Message-Bearing T-Shirts Speak Louder Than Words -- A Proposal For a Wider Fit For Free Speech*, 24 W.ST.U.L. Rev. 321 (1997).

Attorney Hart was admitted to the California State Bar in 1997. She is authorized to represent clients in all USCIS district offices and immigration courts. Additionally, Ms. Hart is authorized to practice before the Supreme Court of California and the U.S. District Court, Central District of California.

Ms. Hart belongs to the American Immigration Lawyers Association and the immigration sections of the Los Angeles County Bar Association and the Orange County Bar Association. From 2006-2007 she served as an officer of the Orange County Bar Association, Immigration Section. Ms. Hart has lectured on immigration at Fullerton College and Western State University College of Law. Representative Clients: U.S. Tile; Ironstone Bank; CalbaTech, Inc.; Concordia University; Life Foundation International; Calvary Evangelical Community Church; Becker Consulting Group; La Belle Graphics; MediVas.
